## mÉMO

from the desk of

LeRoy Scott

You've heard the old saying, "Third Time Is The Charm." This adage speaks for itself in this third publication of the Tech High Year Book.

I would say to our 1954-55 Excellent Year Book Staff, Loyal Friends, Faithful Faculty and Fine Student Body, "Thanks" with a capital "T" for your untiring efforts, your splendid cooperation, and happy associations with each of you.

Sincerely yours,

LeRoy Scott, Principal

The outstanding technician is selected by the shop instructor. The criteria for this selection are the following: citizenship, based on initiative, cooperation, dependability, and general attitude toward shop work; theory and technical knowledge, and the accuracy of work accomplished; and recognition of his weaknesses and confidence in ability to correct them.
